

January 25, 2022

Dear Construct Tomorrow supporter,

The Construct Tomorrow Board would like to inform you that the daytime and evening events scheduled for February 10th and 11th at the DECC have been postponed until May 11th and 12th due to the most recent COVID variant.

We are informing those who are already registered for the evening event to see if you are willing and able to switch from February 10th to May 11th.

- If you have already contacted us about a sponsorship, please let us know by March 9th if you would like to switch your registration to May 11th or if you need to cancel.
- If you're considering future sponsorship please feel free to attend the public event to learn more.

The Construct Tomorrow Board regrets having to postpone the event but wants to ensure we host the safest event possible.

Thanks again and please let us know if you have any questions.

Sincerely,

The Duluth *Construct Tomorrow* Planning Team
